Homecoming '76 brought Disney, complete with characters, throughout the halls of Bellingham High. Pictures of Cinderella, Donald Duck, Mickey Mouse, The Jungle Book characters, and many more added to the spirit of Disney. The students of B.H.S. did their share by wearing their Mickey Mouse ears, Donald Duck beaks, Peter Pan hats, along with the usual custom of wearing red & white clothes on the day of the game.

The design of the floats was also based on some of the fairytales that we all know so very well. The class of '77 proudly displayed their float of Cinderella's castle, while the Juniors showed off 'Alice in Raiderland.' The Sophomores took a different approach as they took on the theme of 'Toast the Tigers,' with a Tiger over a barbeque.

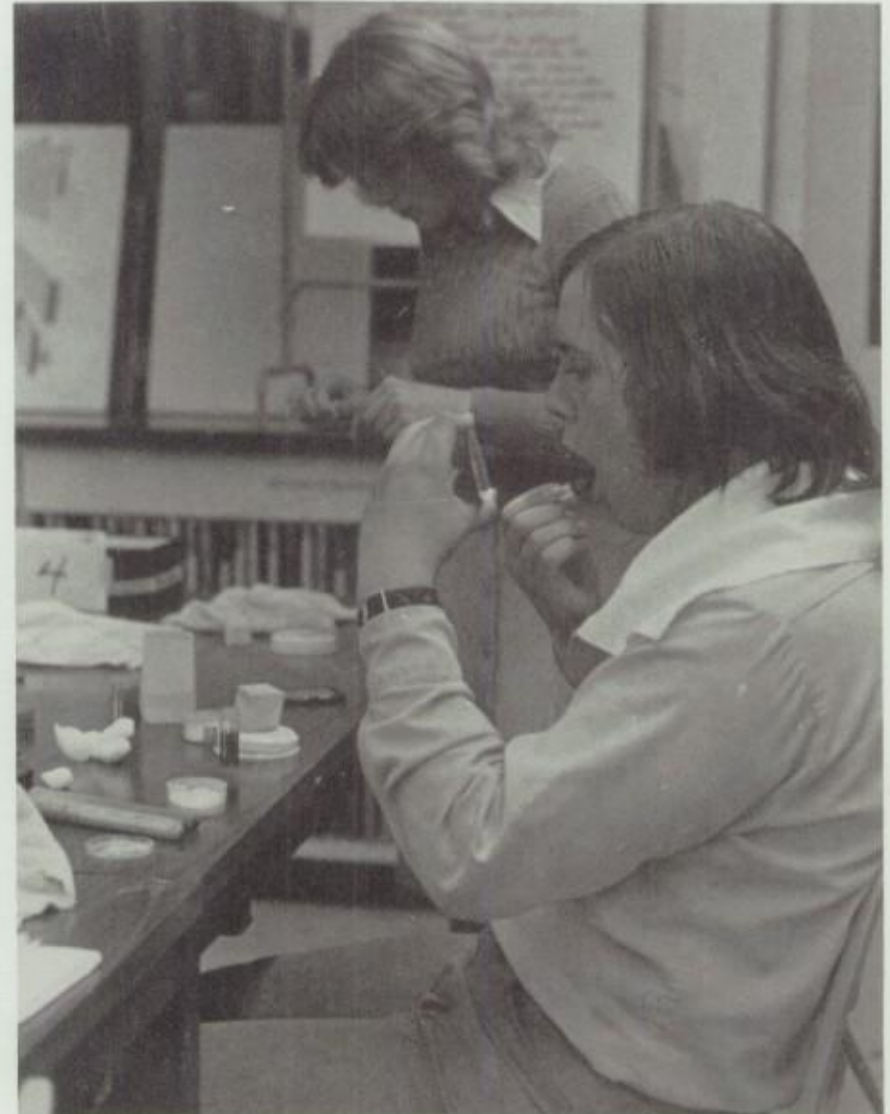

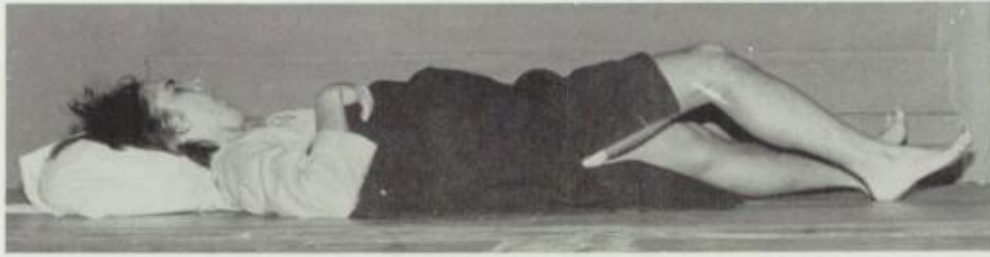

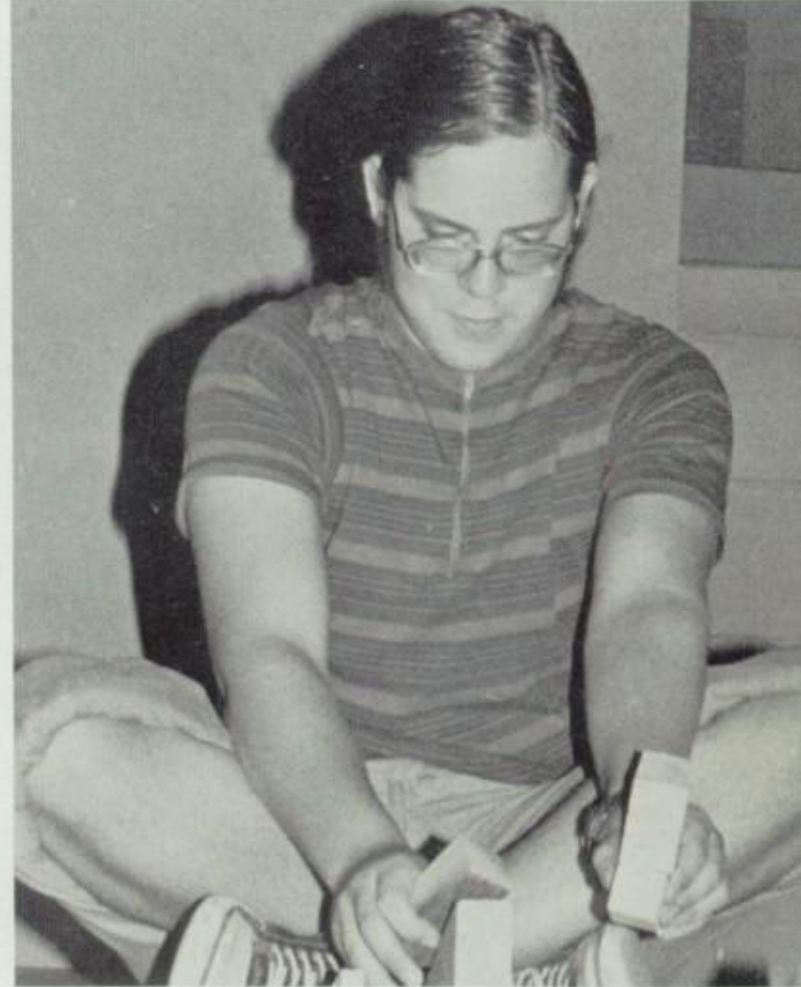

The B.H.S. 41st Annual What-A-Sho

Bellingham High School's annual tradition of the all-school What-A-Sho boasted of its forty-first birthday, and came forth with more singing than in recent years. October 21 was the one night stand for What-A-Sho this year and involved more than 130 students and teachers who worked long hard hours rehearsing 'Try To Remember' which was this year's theme. Mr. Jim Langston, the director of the What-A-Sho, said that this year's show was easier to put together than was last year's since this was his second year here at Bellingham High. Jim, Dan, Ben, and Nancy Miller, Jon Larson along with Tom Unger provided written material for several of the skits and the singing talents of Gregg Reynolds, Lisa Carlson, Jon Archer, Laurie Barrett, Terri Woulf, the Swing Chorus and the Orchestra performed such numbers as 'Tequilla Sunrise,' a medley from 'Paint Your Wagon', 'Touch Me In The Morning' and 'If I Were A Carpenter.' Others who assisted were Mr. Ray Rogers, Mr. Mark Schlichting, Mr. Russ Vernon, Mr. Michael Bolden, Mr. Tim Mallahan, Mrs. Loop, and stage manager Jon Gudmundson and technical director Rick Pennington.

The Raiders came out of the dark again this year to be one of the strongest contenders for the NWL Title with a respectable 7-2 record. With the most explosive Offensive and a fearsome Defensive in the NWL. The Red Raiders were the most feared team on the Football field. The Raiders defeated two of the teams expected to dominate the league, overcoming Anacortes 31-21 with a second half surge, and downing Mt. Vernon 28-6. As for the Seniors it is a good way to end the season slaughtering the Sehome Mariners, 37-0. That's the way to go team! You can be assured Mr. West is planning on another winning year. Next year with the experienced Juniors and Sophomores followed by some talented Freshmen we better come home next year with a BIG FIRST!

This year's B.H.S. Winter Sports Assembly was a little different. It included a sock chain, a new event, and a special surprise for the seniors. The surprise was ice sitting, which the seniors had done as freshmen. Another special was the music of Sapphire, a BHS rock group, made up of Gregg Reynolds, lead singer, Mike Copeland, guitar, Greg Hatch, Drums, Denny Reynolds, guitar, and Kevin Galley, keyboard. The whole assembly was better than usual, with the highlight being the crowning of the royalty.

The seniors won overall competition with 20 pts., followed by the sophomore class with 15 pts., the freshmen with 14 pts., and last but not least, the juniors with 13 pts. The seniors won the shopping cart race and the assembly. The sophomores won the sock chain and the car stuff (18 people). The juniors won sweatshirt day.

Raider Basketball did a mid-season turnaround this year. After a discouraging beginning, winning only one of the first eleven games, the Raiders took charge and won four straight and seven of their last nine games. The Raiders finished in Third Place in the Northwest League, their highest finish since entering the league. We defeated every team in the league except Anacortes and were the only team to defeat Ferndale twice.

The mid-season turnaround was mainly a mental about-face. Instead of knowing that they could compete with anybody in the league, the Raiders proved to themselves that they could beat anybody in the league. This attitude will carry over for the Raiders' future.

The team was led by Chris Galley, who started for three years; Captain Jon Christie and Sophomore Chris Bergner. All three broke school records. Galley and Bergner set a new field goal percentage record of 49%, Christie set a new field goals made record of 116, and Chris Bergner set new records in defensive rebounds with 141 and total rebounds with 212. Reggie Riddle formerly held all of these school records since 1974.

The 1976-77 Junior Varsity team had one of its best seasons in years. They had a season record of 13-7, finishing league play as the unofficial "champions" with a 10-2 record. The team played exciting basketball winning several 2 or 3 point games and going into overtime 4 times.

Craig Christie led the team in scoring (253 pts.) and rebounds (148), but this team was extremely balanced in scoring; Jeff Jenkins (146); Bruce Gustafson (119); Kevin Kurtz (95); Rick Phillips (93); Don Fenton (84); and Lance Ludtke (76).

With four underclassmen already playing on the varsity, next year's team prospects look very bright.

Highlights of the season included an eight-game winning streak, a Frosh record scoring spree in a 72-57 win over Mt. Vernon, and a hard fought 52-42 win over Burlington to clinch the Championship in the last game of the season. Several Frosh records were established, including best team record, highest scoring average (54.8), best field goal percentage (45%), most assists (122), most steals (139), and longest winning streak. Individual standouts were Ted Genger, who lead the team in scoring with a 13.3 average and established new frosh records with a 51% field goal accuracy mark, and 25 points in the 54-51 win over Sehome; Marty West lead the team in rebounds and averaged 12.5 points per game; and Joe Rushin lead the team in steals (42) and assists (34) establishing new frosh records in both categories. Other major contributors to the fine season were Paul Roe, Brant Henshaw and Bill Matyas, but the entire team deserved credit for a job well done.

RETIREMENTS

Mr. Bob Dorr

Mr. Robert C. Dorr was born and grew up in Ferndale. He graduated from Ferndale High School where he played basketball and baseball. He then went to the University of Washington even though his high school coach told him that he would never be able to play basketball there. As it turned out, he ended up being a three-year varsity letterman in basketball.

Mr. Dorr came to B.H.S. in 1946. He has been a PE teacher, counselor, basketball coach (6 years), cross country coach, and a track coach (for the entirety of his stay here—31 years). He won the state track meet in 49, 51, and 58. In 1958, he was named sportsman of the year.

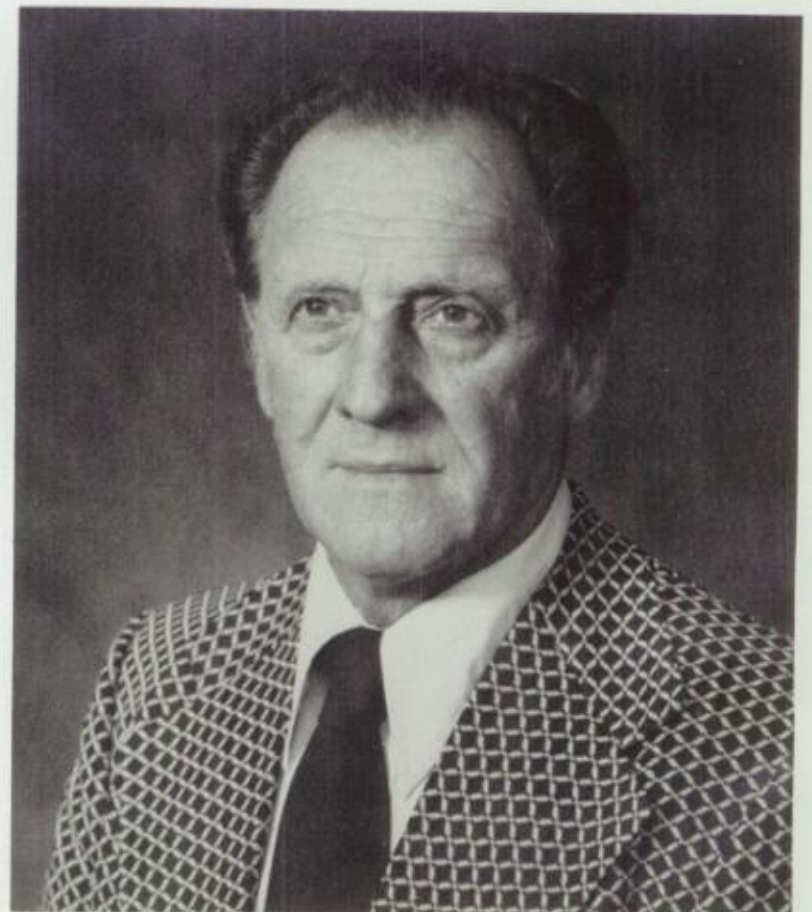

Mr. Gordon L. Carter

Mr. Gordon L. Carter was born and raised in Friday Harbor, and attended Western, U. of W., and Columbia Teachers' College. His teaching began at Meridian High School in 1935. He became Principal at Meridian, and then at Mt. Baker Jr./Sr. High. He became Superintendent of Mt. Baker Schools in 1947, Superintendent of Sedro Woolley Schools in 1948, and then Superintendent of Bellingham Schools in 1953. He has been President or Director of several professional associations for superintendents, school administrators, and school systems. Among the accomplishments during Mr. Carter's time as Superintendent are: reduction in class size; development of the Bellingham Vocational Technical Institute; continued public support of the schools; the building of eight new schools, plus additions or the remodeling of all schools; reorganization of the district with two four-year high schools and three middle schools; expansion of the Special Education Program, Alternative Education Programs; Library reading centers in all schools; and in conclusion, a very respectable quality public school district.

Mr. Howard Jones

Mr. Howard Jones came to B.H.S. the same year that Mr. Dorr did. It is interesting to note that they are both leaving the same year. Mr. Jones was born and raised in Bellingham. He graduated from Whatcom High School where he was a four-year letterman in Baseball, Football, Track, and Basketball (all the sports that were offered at that time.) Working his way through school, Mr. Jones went to Western and was a member of the only undefeated football team in the school's history. There he got his administrative degree. He also played football at the U. of W. and semi-pro ball. Before World War II, Mr. Jones taught for four years at Whatcom Jr. High, and at Acme. During the war, he was a Captain in the Air Force and was involved in the Normandy Invasion of France. After WW II, he came to B.H.S. as a P.E. and history teacher, golf coach, and head football coach. He then became Dean of Students. Mr. Jones has helped many students find jobs through the Junior Achievement Program. He has been described as a "dedicated and dependable person," "one you can count on in a problem," and a "dedicated father and family man." He is also a commercial fisherman and likes to hunt.
